ONE THOUSAND DOLLARS.

To any person who will furnish us, within three years, a set of patterns for a Cooking Stove, Superior to the 'Prairie State' in its operation, durability, neatness of finish and design, we will pay the above named sum of one thousand dollars.

This new and beautiful stove presents itself externally, in a plain dress, accompanied with just and admirable proportions, giving it the appearance of a chaste and tastefully made piece of furniture.

PRAIRIE STATE, Nos. 1, 2, 3, 4.

This stove has been thoroughly tested—from eight o'clock to twenty thousand have been sold in the last three years. It has no equal for draft, durability, and neatness of finish and design. In baking, broiling and boiling it is superior to any other stove. It is very easy to understand using it, and it will do more baking, in less time, and with less fuel and trouble, and will do it better, it is believed by those who are using it, than any other stove. It is well known to all who have used the Prize Premium Stoves, manufactured by G. F. Filley, St. Louis, that the fire drawing through under the oven, it consumes a large quantity of wood, and soon burns out, making it very unprofitable for the buyer. In the Prairie State stove all these objections are done away. The plates are heavy, which makes the stove durable. This stove is made of the Gray Scotch Pig Iron—not of the Missouri Mountain Iron; it is well known to all who are acquainted with iron, that the Missouri Mountain Iron is not fit to make stoves of, as it is too hard and brittle. That accounts for the breaking of the stoves manufactured of that iron; we acknowledge that the Missouri Mountain Iron makes excellent bar iron. The floor, upon which the responsibility and reputation of a stove depend, differs from any ever before used, and are of such a construction and capacity as to insure the most perfect draft. We are satisfied that the Prairie State Stove will last twenty-five years, if properly used. It is nearly double the weight of any other stove of its size in market. Purchasers will bear in mind that it is always cheapest in the end to buy a heavy stove, as more iron is purchased for the same amount of money, than in a light one. This stove has taken the first premiums at all the fairs in the State of New York, and every other State where it has been present. This stove will take larger trimmings, and has a larger oven to its size than any other stove in the universe. This stove is not narrowly constructed on the top, as a stove called the Charter Oak. The Hannibal Mammoth Stove Store is the only place where the genuine Prairie State Stove is sold in Hannibal. I have also a large assortment of stoves of the latest patterns, from every important foundry in the United States, which I will sell at reduced prices; also a large lot of tin and copper ware, all of which I sell fifteen per cent. cheaper than they can be had in this city; for sale at the Hannibal Mammoth Stove Store, corner Main and Bird Streets, opposite the Wild Corner, Hannibal, Mo. I only give a few references—I could give you five hundred in this vicinity if it were necessary. The Prairie State Stove is almost entirely used throughout Illinois and Iowa. I warrant every stove and will pay to any person who will produce a perfect Prairie State Stove that will not bake, cook, work and operate as stated, one hundred dollars. Wholesale dealers will do well to call on me before purchasing, as I can furnish them stoves lower than they can be purchased elsewhere, and a far superior article, as the last year has tested. All of my stoves are manufactured of the best of iron, and I warrant all I sell. Another advantage in purchasing of us is, any plate burning out or breaking by accident, can at any time be replaced. I can assure my customers that my prices will be uniform, and all orders will be promptly attended to.

We are also agents for the Missouri Star Premium, Ohio Premium Stove, Pittsburgh and Cincinnati, and the Old Style Premium, which has been in use for the last ten years. I will attend to getting extra plates for all stoves of every pattern, charging no profit, and nothing for my trouble. I am permanently located in this city, and will accommodate any one who will call on me, if possible.

Prospectus to De Bow's Review.

Adapted to the Southern and Western States of the Union; including statistics of foreign and domestic industry and enterprise. Published monthly in New Orleans, at \$5 per annum, in advance.

Complete sets of the work, ten volumes, bound handsomely, and for sale at the office, New Orleans, and will be supplied on order, deliverable in any of the large cities or towns. They are an invaluable repository of practical information regarding our country, and should have a place in every public and private library. A few sets only remain.

The Review is now rapidly growing in circulation, and will exhibit many great improvements in the coming year, in size, matter, and appearance. The following are its leading divisions:

I. LITERATURE.—Criticisms, essays, poetry, sketches of fact and fancy, summaries of foreign and domestic news, movements in New Orleans, &c.

II. COMMERCE.—Its history, laws and statistics, commodities, shipping, navigation, treaties, tariffs, exports and imports, trade of the South and West, home and foreign trade.

III. AGRICULTURE.—Discussion upon cotton, rice, sugar, tobacco, hemp, Indian corn, wheat, slavery and slave laws, &c.

Five Great Novelettes.—Great Attraction!!

Some five or six weeks ago, we announced that we would publish five first-class novelettes, written expressly for the "Dollar Newspaper." Four we had in hand at the time, and the fifth has since come into our possession. The first is now nearly half through, and has everywhere been pronounced a story of great merit. The following is the order of publication:—The Emigrant Squire, by P. Hamilton Myers, Esq.; the Mad American, by John S.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

DR. J. S. HOUGHTON'S

PEPSIN

THE TRUE

DIGESTIVE FLUID,

OR, GASTRIC JUICE.

Prepared from Benger, or the fourth stomach of the ox, after directions of Baron Liebig, the great Physiological Chemist by J. S. Houghton, M. D., Philadelphia, Pa.

"I DIGEST." Such is the true meaning of the word Pepsin. It is the chief element, or great digesting principle of the Gastric Juice—the solvent of the food, the purifying, preserving, and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the ox, thus forming a true digestive fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it.

This is Nature's own remedy for an unhealthy stomach. No art of man can equal its curative powers. It contains no alcohol, bitters, acids, or nauseous drugs. It is extremely agreeable to the taste, and may be taken by the most feeble patients who cannot eat a water cracker without the most acute distress. Beware of drugged imitations. Pepsin is not a drug.

Half a teaspoonful of Pepsin infused in water, will digest or dissolve five pounds of roast beef in about two hours, out of the stomach.

Scientific Evidence!

The Scientific evidence upon which this remedy is based is in the highest degree curious and remarkable.

Call on the agent and get a descriptive circular, gratis, giving a large amount of scientific evidence, from Liebig's Animal Chemistry; Dr. Cuvier's Physiology of Digestion; Dr. Pereira on Food and Diet; Dr. John W. Draper of New York University; Prof. Dunglison's Physiology; P. of Stillman, of Yale College; Dr. Carpenter's Physiology, &c., together with reports of cures from all parts of the United States.

P. P. in Field and Powder.

Dr. Houghton's Pepsin is prepared in Powder and in Field Form—and in Prescription form for the use of Physicians. The powder will be sent by mail, free of postage, for one dollar sent to Dr. Houghton, Philadelphia.

BEWARE THIS!—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., sole proprietor, Philadelphia, Pa. Copy-right and Trade Mark secured. Sold by all druggists and dealers in medicines. Price, ONE DOLLAR, per bottle.

NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

A CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.

Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1852.

To Professor Holloway,

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at last a malignant running ulcer settled in his hip, which completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour. (Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.

Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsboro', dated March 1st, 1852.

To Professor Holloway,

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was marvellous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer. (Signed) J. HIRD, Draper.

CERTAIN REMEDY FOR SCORBUTIC HUMORS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor Holloway,

DEAR SIR,—Among the numerous cures effected by the use of your valuable medicines in the neighborhood we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbutic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

We remain, Dear Sir,

Yours faithfully,

April 6th, 1852. (Signed) WALKER, & CO.

The Pills should be used conjointly with the Ointment in most of the following cases:—
